

Sea Freight FCL Clearances... how does it all work?

You purchase your goods from overseas
Your goods are placed inside
a shipping container at your
suppliers address

The container is delivered to the wharf
and placed onboard a ship to bring
your goods to Australia

If the goods are made from
wood they need to be fumigated
prior to shipping

Tight Ass Customs[®] need 7 things to proceed (email to info@tightassclearance.com)

A commercial
invoice for the
goods

While the goods travel to Australia,
Tight Ass Customs[®] will be busy pre-clearing
the cargo through Customs and Quarantine

Once the container arrives at the
wharf and has been offloaded from
the boat, we will collect the container
to avoid wharf storage fees.

Tight Ass Customs[®] will
collect the container from
the wharf and then deliver
to you for unpacking.

If your address is not metropolitan
then Quarantine will inspect the
goods before allowing it to proceed
for delivery to you.

Once the container is empty,
Tight Ass Customs[®] will return
the container to the wharf.
